

FACT SHEET – GE IN CAMBODIA

GE (NYSE: GE) is an advanced technology, services and finance company taking on the world's toughest challenges. Dedicated to innovation in energy, health, transportation and infrastructure, GE operates in more than 100 countries and employs about 300,000 people worldwide. For more information, visit the company's Web site at www.ge.com.

GE traces its beginnings to Thomas A. Edison, who established Edison Electric Light Company in 1878. In 1892, a merger of Edison General Electric Company and Thomson-Houston Electric Company created General Electric Company. GE is the only company listed in the Dow Jones Industrial Index today that was also included in the original index in 1896.

For more information, visit the company's Web site at <http://www.ge.com>. GE is Imagination at Work.

GE in Cambodia

GE serves customers in more than 100 countries and has launched its presence in Cambodia in July 2007. Since then, GE in Cambodia has been continuously building its network base while developing partnerships with private and public sectors. GE businesses that have started to become active in Cambodia are GE Healthcare, GE Industrial Solutions, and GE Home and Business Solutions.

GE has been operating in six other ASEAN countries – Indonesia, Malaysia, Philippines, Singapore, Thailand and Vietnam – since the 60s, as the Company looks to the region as a key driver for growth. ASEAN remains a critical region of GE. GE's global revenue for 2008 was \$183 billion and generates \$4B in revenues in ASEAN annually and has been growing at 20% annually. GE employs more than 300,000 people worldwide, with at least 9,500 employees throughout the ASEAN region.
