Dear Valued Supplier,

The document you have tried to access is currently unavailable at this site. To access this document contact your Buyer to request any documents that you need. You can also access directing using our Supplier Document Exchange (SDX) Application. SDX is the tool that GE uses to exchange documents with your business.

Learn more about SDX by:

- watching the [short training video](#),
- read the [Quick Start Guide](#)
- download the [How to Request Access to SDX guide](#).

You will need a GE Single Sign On account (SSO) to access SDX. If you do not have an SSO,

- [register for a Single Sign On \(SSO\) ID](#).
- Visit the [SSO Registration Guide](#) to get started.

If you have any questions, please contact your Buyer or other GE Power Sourcing or Supply Chain contact. You can also contact the Supplier Help Desk at (866) 770-5248 in the US or Email pssourps@ps.ge.com
