To order more than two licenses (qty > 2), select the part number, quantity, and cost of the hardware keys:

Count of Activations	Part number	US \$	Euro €
10	SPP-GE-010	\$2150	€2000
25	SPP-GE-025	\$2400	€2100
50	SPP-GE-050	\$3600	€3000
100	SPP-GE-100	\$5750	€4750
300	SPP-GE-300	\$10000	€9000
500	SPP-GE-500	\$15000	€12000
	SSLKEY	\$99	€93

Note: To order hardware keys instead of software activation only, you must order the desired quantity of SSLKEYs (as listed in this chart).

Part Number (PN) Legend:
 ControlST = ST
 Version = 7.0
 Internal = G
 Engineering Workstation = E

Note: Advantage licensing uses a software activation key per product (ControlST, CIMPLICITY, Proficy Historian) that can be applied as needed. The price for an Advantage License depends upon the part number and the products.

For GE Internal-use:

- If you only need ControlST and CIMPLICITY, and only 1-2 keys, we can provide demo licenses that are active for up to 1 year for \$0.
- If you need ControlST and CIMPLICITY, or Historian or PME, and more than 1-2 keys, contact [Solution Provider](#).

For pricing and part numbers, refer to [How to Order ControlST Software Media and License Keys \(GHT-200048\)](#).
