"Work" means the supply of the Parts and/or the performance of the Services, and any corrective actions pursuant to the Seller's warranty obligations in Article 6.

2. PAYMENT, TAXES

2.1 Buyer shall pay Seller for the Parts and Services by paying all invoiced amounts in U.S. Dollars, without any deduction, retention, withholding or set-off for any payment from Seller not due under this Contract, within thirty (30) days from the invoice date. All prices are exclusive of taxes and Buyer shall be responsible for taxes imposed on sale of Parts or Services to Buyer, including sales, use, excise, value-added, works contract or other similar taxes or duties. For each calendar month, or fraction thereof, that payment is late, Buyer shall pay a late payment charge computed at the rate of 1.5% per month on the overdue balance, or the maximum rate permitted by law, whichever is less.

2.2 If Seller reasonably determines that Buyer's financial condition or payment history (including its failure to pay by the due date) does not justify continuation of Seller's performance, Seller may require payment security, and/or suspend or terminate the unperformed portion of the Contract, including Seller's warranty obligations.

3. DELIVERY, TITLE TRANSFER, RISK OF LOSS

3.1 Unless otherwise agreed, delivery to Buyer shall be: (1) FCA Seller's facility or warehouse (where no export involved) or (2) FCA Port of Export (where export involved). Incoterms 2010 shall apply. Partial deliveries are permitted. Seller may deliver Parts in advance of the delivery schedule. Delivery times are approximate and are dependent upon prompt receipt by Seller of all information necessary to proceed with the Work without interruption. If Parts delivered do not correspond in quantity, type or price to those itemized in the shipping invoice or documentation, Buyer shall so notify Seller within ten (10) business days after receipt and Seller shall promptly rectify such shipping invoice or

documentation.

3.2 Title and risk of loss shall pass to Buyer, and amounts shall be payable to Seller, upon (a) delivery of the Parts or (b) invoicing by Seller for the Parts where Buyer is unable to accept delivery on the scheduled date. Notwithstanding the foregoing, Seller grants only a license, and does not pass title, for any software provided by Seller under this Contract, and title to any leased equipment remains with Seller.

3.3 When Buyer arranges the export or intercommunity shipment, Buyer will provide Seller evidence of exportation or intercommunity shipment acceptable to the relevant tax and custom authorities.

3.4 Title to Services shall pass to Buyer as performed.

If Repair Services are performed at Seller's repair facility, the following shall apply:

(i) Buyer shall be responsible for all actions and costs related to transporting the Buyer's Equipment to and from the Site and the Seller's repair facilities. Notwithstanding any other provisions in the Contract, including any reference to Incoterms, Buyer shall bear risk of loss for Buyer's Equipment during the term of the Contract, whether at the Site, the repair facilities or in transit to or from the repair facilities. Buyer shall be solely responsible for providing adequate insurance for the Buyer's Equipment during the term of the Contract.

(ii) Upon notification by Seller that the Repair Services have been completed, Buyer shall arrange for the removal of the Buyer's Equipment from the repair facilities within ten (10) days of such notification. Buyer shall reimburse Seller at Seller's then current storage rate for any additional days the Buyer's Equipment remains at the repair facilities.

4. EXCUSABLE DELAYS

Neither party shall have any liability or be in breach or default of its obligations under the Contract to the extent that its performance is delayed or prevented by any cause beyond its reasonable control (an "Excusable Delay"). If Seller is delayed by Buyer, its other contractors or suppliers, Seller shall also be entitled to an equitable price adjustment. The affected party shall notify the other party of any Excusable Delay. In no event will an Excusable Delay relieve either party of its obligation to make any payment hereunder when due. If any Excusable Delay extends for more than one hundred eighty (180) days and the parties have not agreed upon a revised basis for continuing the Work at the end of the Excusable Delay, including adjustment of the Contract Price, then either party (except where Excusable Delay is caused by Buyer, in which event only Seller) may, upon thirty (30) days' written notice, terminate the applicable purchase order with respect to any Part to which title has not yet passed, whereupon Buyer shall promptly pay Seller the termination charges specified in Seller's proposal for the Work.

5. COMPLIANCE WITH LAWS & DUAL USE

5.1 Seller shall comply with laws applicable to the manufacture of Parts and its performance of Services. Buyer shall comply with laws applicable to the application, operation, use and disposal of the Parts and Services. All transactions under the Contract shall at all times be subject to and conditioned upon Buyer's compliance with the USA, the EU and any other applicable trade control laws and regulations.

5.2 If Seller exports Parts outside the U.S. or European Union that are likely to be considered "dual use", Buyer shall, upon Seller's request, immediately provide Seller with an "End User Statement".

6. WARRANTY

6.1 Seller warrants that Parts shall be delivered free from defects in material, workmanship and title and that Services shall be performed in a competent, diligent manner in accordance with any mutually agreed specifications. The warranty shall expire for: (i) Parts, one (1) year from first use or eighteen (18) months from delivery, whichever occurs first; (ii) Services (except for Field Services), one (1) year after performance of the Service, (iii) Field Services, thirty (30) days after performance of the Field Services (the "Warranty Period"). If Parts or Services do not meet the above warranties, Buyer shall promptly notify Seller in writing prior to expiration of the Warranty Period. Seller shall (i) at its option, repair or replace defective Parts and (ii) re-perform defective Services. Buyer shall bear the costs of access for Seller's remedial warranty efforts (including removal and replacement of systems, structures or other parts of Buyer's facility), de installation, decontamination, re installation and transportation of defective Parts to Seller and back to Buyer. If despite Seller's reasonable efforts, a non-conforming Part cannot be repaired or replaced, or non-conforming Services cannot be re-performed, Seller shall refund or credit monies paid by Buyer for such non-conforming Parts or Services. Warranty repair, replacement or re-performance by Seller shall not extend or renew the applicable warranty period. The warranties and remedies are conditioned upon (a) proper storage, installation, use, operation, and maintenance of Parts, (b) Buyer keeping accurate and complete records of operation and maintenance during the Warranty Period and providing Seller access to those records, and (c) modification or repair of Parts only as authorized by Seller in writing. Failure to meet any such conditions renders the warranty null and void. Seller is not responsible for normal wear and tear including that due to environment or operation, type or quality of fuel, detrimental air inlet conditions or erosion, corrosion or material deposits from fluids.

6.2 THIS ARTICLE SETS FORTH THE EXCLUSIVE REMEDIES FOR ALL

CLAIMS BASED ON FAILURE OF OR DEFECT IN PARTS OR SERVICES PROVIDED UNDER THE CONTRACT, REGARDLESS OF WHEN THE FAILURE OR DEFECT ARISES, AND WHETHER A CLAIM, HOWEVER DESCRIBED, IS BASED ON CONTRACT, WARRANTY, INDEMNITY, EXTRA-CONTRACTUAL LIABILITY (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE. THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, CONDITIONS AND GUARANTEES WHETHER WRITTEN, ORAL, IMPLIED OR STATUTORY. NO IMPLIED STATUTORY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY.

7. INDEMNIFICATION

7.1 General Indemnity. Each party (each the "Indemnifying Party") shall indemnify and hold harmless the other party (each the "Indemnified Party") from and against any loss or expense arising by reason of physical damage to the property of third parties or bodily injury, including death, of persons to the extent that such damage or injury results directly from the negligence of the Indemnifying Party or its subcontractors in relation to this Contract and to the extent the Indemnifying Party is liable to the third party or injured person under applicable law. If damage or injury is caused by the joint or concurrent negligence of the Parties, their officers, employees, agents, or subcontractors, these Parties shall bear the loss in proportion to their or their officers', employees', agents' or subcontractors' percentage of negligence. The indemnities provided in this Article shall apply only if the Indemnified Party gives the Indemnifying Party prompt notice of any claim and provides the Indemnifying Party all necessary information and assistance so that the Indemnifying Party may, at its option, defend or settle the claim. For purposes of Seller's indemnity responsibility under this Article 7.1, no portion of Parts, Buyer's Equipment or Site is considered third party property.

7.2 Patent Indemnity. Seller shall indemnify Buyer against any claim by third party alleging that Parts manufactured by Seller and furnished under this Contract infringe a patent in effect in the U.S. or an EU member state, provided that Buyer does not take any position adverse to Seller, gives Seller sole authority to control defense and settle the claim, and provides Seller with its reasonable assistance. Seller shall not be liable and this indemnity shall not apply if such claim is based on modified Parts, a Buyer failure to implement any update provided by Seller that would have prevented the claim, unauthorized use of Parts or Parts made or performed to Buyer's specifications. If Seller is unable to procure Buyer with a non-infringing Part, Seller may take back infringing Parts or Services and refund the price received by Seller attributable to the infringing Parts or Services. This Article 7.2 states the entire liability of Seller for patent infringement of any Parts.

8. INSURANCE

8.1 Seller's Insurance. During the term of the Contract, Seller shall maintain for its protection the following insurance coverage: (i) Worker's Compensation, Employer's Liability and other statutory insurance required by law with respect to work related injuries or disease of employees of Seller in such form(s) and amount(s) as required by applicable laws; (ii) Automobile Liability insurance with a combined single limit of \$2,500,000; and (iii) Commercial General Liability or Public Liability insurance for bodily injury and third party property damage with a combined single limit of \$2,500,000 per occurrence and \$5,000,000 in the aggregate annually. If required in the Contract, Seller shall provide a certificate of insurance reflecting such coverage.

8.2 Buyer's Insurance. The Buyer's or owner of the facility's All Risk Property / Builder's Risk Insurance Policy shall include a waiver of rights of subrogation against the Seller.

9. LIMITATION OF LIABILITY

9.1 LIMITATION. THE TOTAL LIABILITY OF SELLER FOR ALL CLAIMS ARISING OUT OF OR RELATING TO THE PERFORMANCE OR BREACH OF THIS CONTRACT OR USE OF THE WORK SHALL NOT EXCEED THE PORTION OF THE CONTRACT PRICE ALLOCABLE TO THE PARTS OR SERVICES GIVING RISE TO THE CLAIM. ALL LIABILITY OF SELLER ON ALL CLAIMS OF ANY KIND SHALL TERMINATE UPON EXPIRATION OF THE WARRANTY PERIOD, PROVIDED THAT BUYER MAY ENFORCE A CLAIM OF SUCH LIABILITY ACCRUING DURING THE WARRANTY PERIOD BY AN ACTION TIMELY COMMENCED IN ACCORDANCE WITH THE APPLICABLE STATUTE OF LIMITATIONS AND/OR STATUTE OF REPOSE, BUT IN NO EVENT GREATER THAN ONE YEAR AFTER THE EXPIRATION OF THE WARRANTY PERIOD.

9.2 CONSEQUENTIAL DAMAGES. SELLER SHALL NOT BE LIABLE FOR LOSS OF PROFIT OR REVENUES, LOSS OF PRODUCT, LOSS OF USE OF THE EQUIPMENT OR ANY ASSOCIATED EQUIPMENT, INTERRUPTION OF BUSINESS, COST OF CAPITAL, COST OF REPLACEMENT EQUIPMENT OR POWER, DOWNTIME COSTS, INCREASED OPERATING COSTS, CLAIMS OF BUYER'S CUSTOMERS FOR SUCH DAMAGES, OR FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE OR EXEMPLARY DAMAGES.

9.3 SALE, TRANSFER, ASSIGNMENT TO THIRD PARTY. IF BUYER IS SUPPLYING PARTS TO A THIRD PARTY, OR USING PARTS AT A FACILITY OWNED BY A THIRD PARTY, BUYER SHALL INDEMNIFY AND HOLD SELLER HARMLESS FOR AND AGAINST ANY LIABILITY ARISING OUT OF CLAIMS MADE BY THE THIRD PARTY IN EXCESS OF THE LIMITATIONS AND EXCLUSIONS PROVIDED IN THIS CONTRACT.

9.5 LIMITATIONS TO PREVAIL. FOR THE PURPOSES OF THIS ARTICLE, THE TERM "SELLER" SHALL MEAN SELLER, ITS AFFILIATES, SUBCONTRACTORS AND SUPPLIERS OF ANY TIER, AND THEIR RESPECTIVE AGENTS AND EMPLOYEES, WHETHER INDIVIDUALLY OR COLLECTIVELY. THE LIMITATIONS IN THIS ARTICLE SHALL APPLY REGARDLESS OF WHETHER A CLAIM IS BASED IN CONTRACT, WARRANTY, INDEMNITY, EXTRA-CONTRACTUAL LIABILITY (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE, AND SHALL PREVAIL OVER ANY CONFLICTING TERMS, EXCEPT TO THE EXTENT THAT SUCH TERMS FURTHER RESTRICT SELLER'S LIABILITY.

10. SUSPENSION, TERMINATION

Either party can terminate the Contract for material breach of the other party not cured in a reasonable period. Seller can suspend the Contract performance if Buyer fails to comply with any payment obligations under the Contract. Upon termination, Seller shall reimburse Buyer the difference between that portion of the Contract Price allocable to the terminated scope and the actual amounts reasonably incurred by Buyer to complete that scope and Buyer shall pay Seller for all Parts completed, lease fees incurred and Services performed before the effective date of termination. The foregoing are the sole and exclusive suspension and termination rights of the parties.

11. DISPUTE RESOLUTION, GOVERNING LAW

Each party hereby irrevocably waives any objection which it may now or hereafter have to the laying of venue of any such action or proceeding brought in these courts and hereby further irrevocably waives and agrees not to plead or claim in any such court that any such action or proceeding is brought in an inconvenient forum.

12. CONFIDENTIALITY, INTELLECTUAL PROPERTY

The Receiving Party shall obtain a written commitment from any third party recipient of Confidential Information to comply with the terms of this Article. The restrictions of this Article shall expire ten (10) years after the date of disclosure of the Confidential Information. Buyer agrees that Seller may also access, collect, maintain, process and use machine, technical, system usage and related information, including, but not limited to, information about Buyer's Equipment that is gathered periodically to facilitate the provision of parts, services, product support and training to Buyer. Seller or its affiliates may use this information to provide, develop or improve Seller's products or services.

12.2 All know-how, patents, copyrights, designs, or other intellectual property made available by Seller, or developed during the Contract, whether alone or with any contribution from Buyer, shall be owned exclusively by, and vest in, Seller. 14. SOFTWARE LICENSE

Seller grants to Buyer a non-exclusive and irrevocable right to use Software, to the extent necessary to properly use the Parts. This right shall be non-assignable and non-transferable (except Buyer may assign to any subsequent purchaser of the Parts). Seller is under no obligation to provide Software upgrades or revisions, unless previously agreed to in writing. Buyer may make one copy of the Software in machine-readable form for backup purposes only. Buyer may not (i) disassemble, decompile, reverse engineer, or otherwise attempt to reconstruct or discover the source code of the Software; (ii) remove any product identification, copyright, trademark, or other notice from the Software; (iii) modify, adapt or translate the Software.
