RE: John Doe, job title  
Validation of GEH Nuclear Energy Prescreen requirements

Dear GE Nuclear Energy,

**John Doe**, <job title> has successfully passed the following prescreening requirements for contract employment at GE Nuclear Energy, including:

Background Check in accordance with MSA Schedule C - completed and clear  
Drug Screen, 5 panel - completed and clear  
Validation of Country of Citizenship  
MSA Schedule B – signed by Supplier employee  
Candidate's name is not listed on any of the specified Government Watch Lists

The results of the screening are being retained by **Supplier** and will remain on file in accordance with the personal data retention requirements outlined in the Master Services Agreement (MSA).

I hereby attest and confirm that the above information provided is complete and correct.
