

How To Request Access To SDX

There are 2 steps to gain access to SDX.

- 1 - Get a valid SSO (Single sign on account) with a password.
- 2 - Have your SSO given access to SDX.

You can perform both steps here...

<https://register.gepower.com/ssoreg/>

If you do not have an SSO

If you need an account, it's just 3 easy steps:

Register

Fill out the form and click

Next

If you already have an SSO

If you already have a GE SSO account:

Log in

Enter your SSO and password

Click on the Supplier tab on the top of the screen

Customer **Supplier** GE Employee

Choose

Energy PLM (Supplier
Document Exchange,
Supplier
Qualifications)

Click

Next

Fill out the form and click

Submit

*** You will receive an confirmation Email within 48 hours.**
