

# Proficiency Plant Applications

## Open-Source Software List

*(for Version 2023)*

In accordance with certain software license terms, the General Electric Company (“GE”) makes available the following software package installations. This code is provided to you on an “as is” basis, and GE makes no representations or warranties for the use of this code by you independent of any GE provided software or services.

Refer to the licenses and copyright notices files for each package for any specific license terms that apply to each software bundle, associated with this product release.

**NOTE:** These software package versions may change or be removed as needed for updates to this product.
