Build your digital industry

September 30, 2015

RELIABILITY MANAGEMENT

- ↑ Reliability
- ↓ Operating Cost
- ↑ Performance

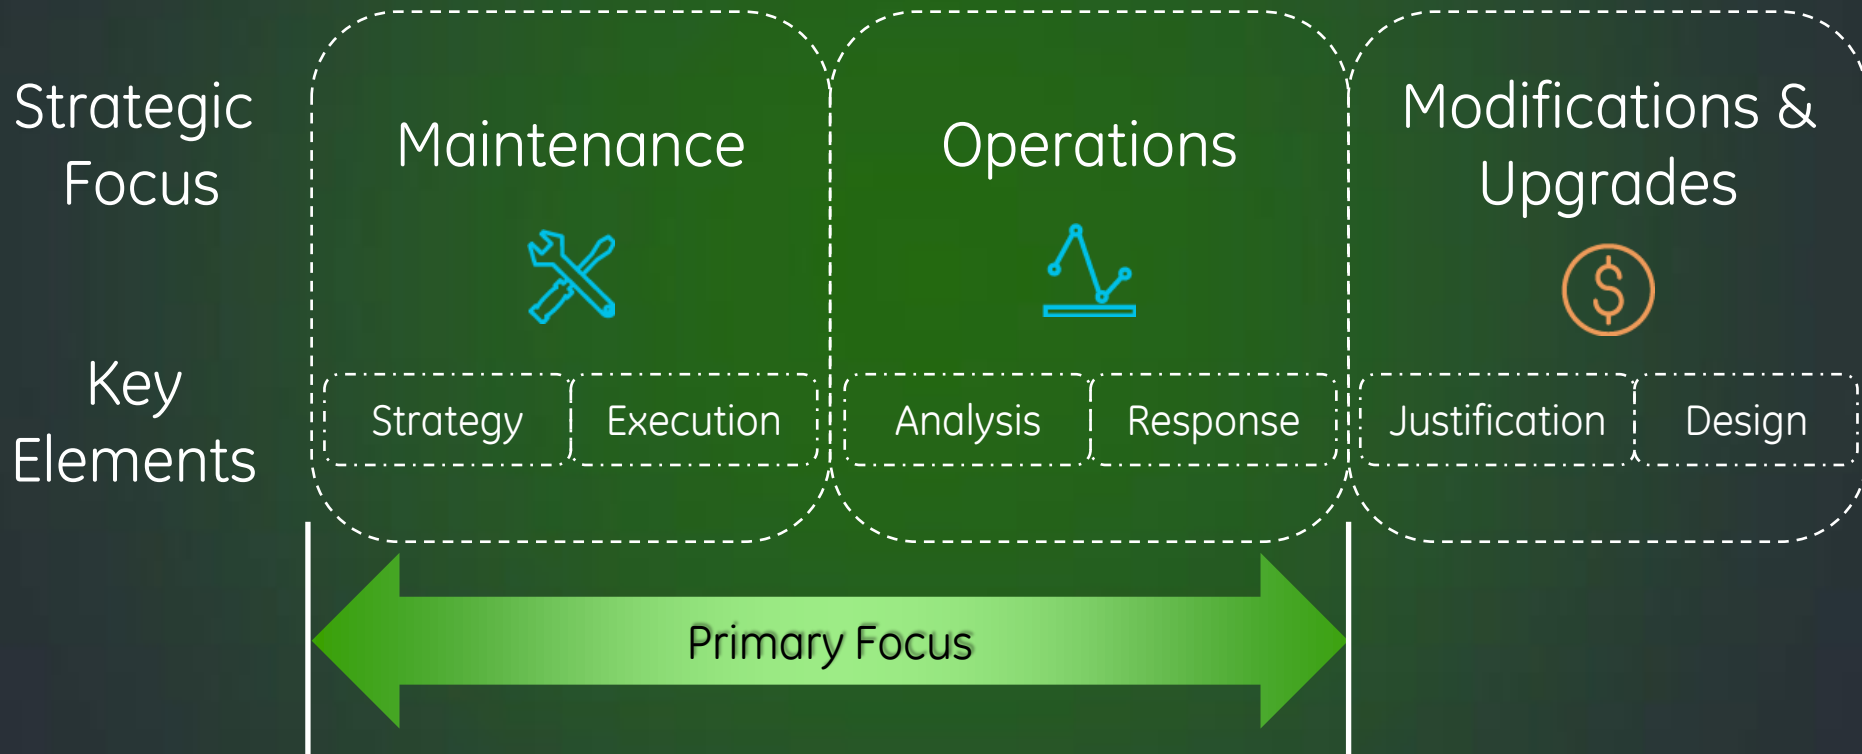

Impact of a single unplanned event
Creates a ripple effect
Across the entire fleet

ASSET PERFORMANCE
MANAGEMENT

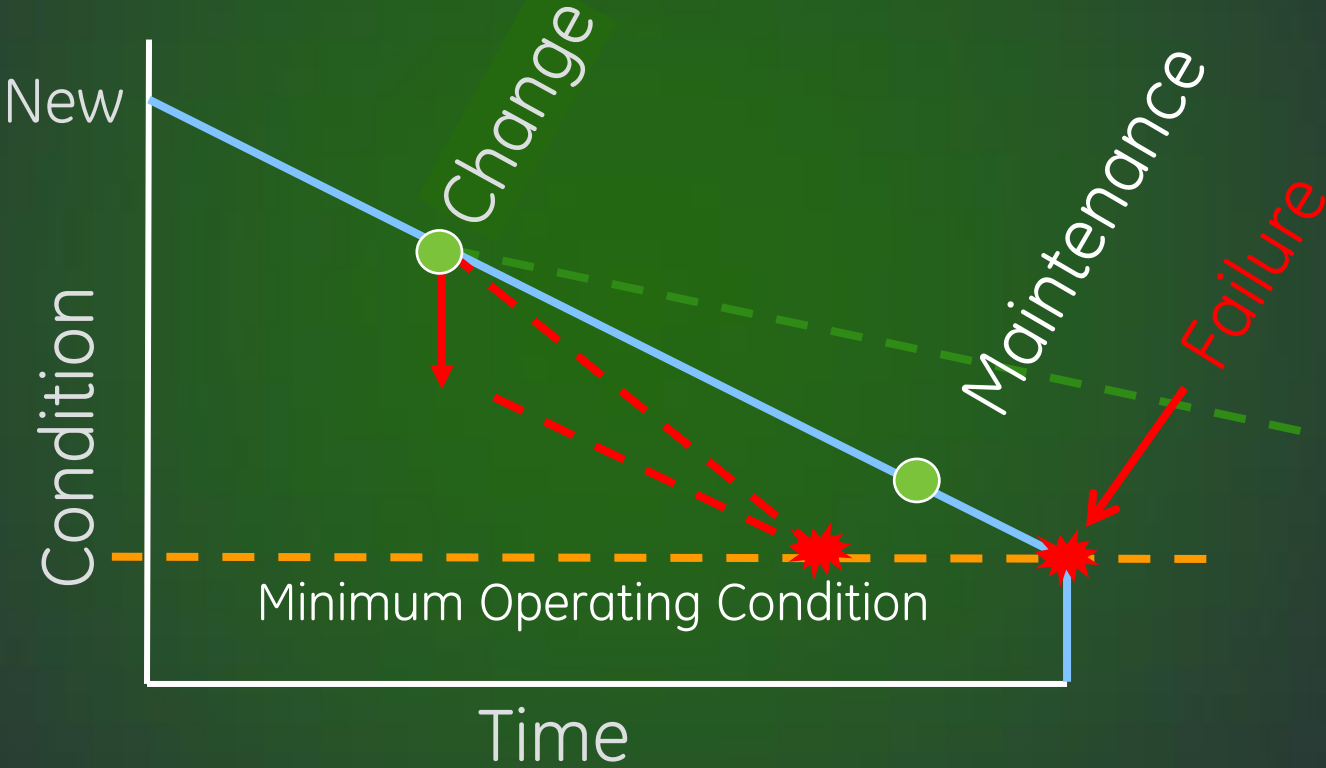

Goal...Zero Events

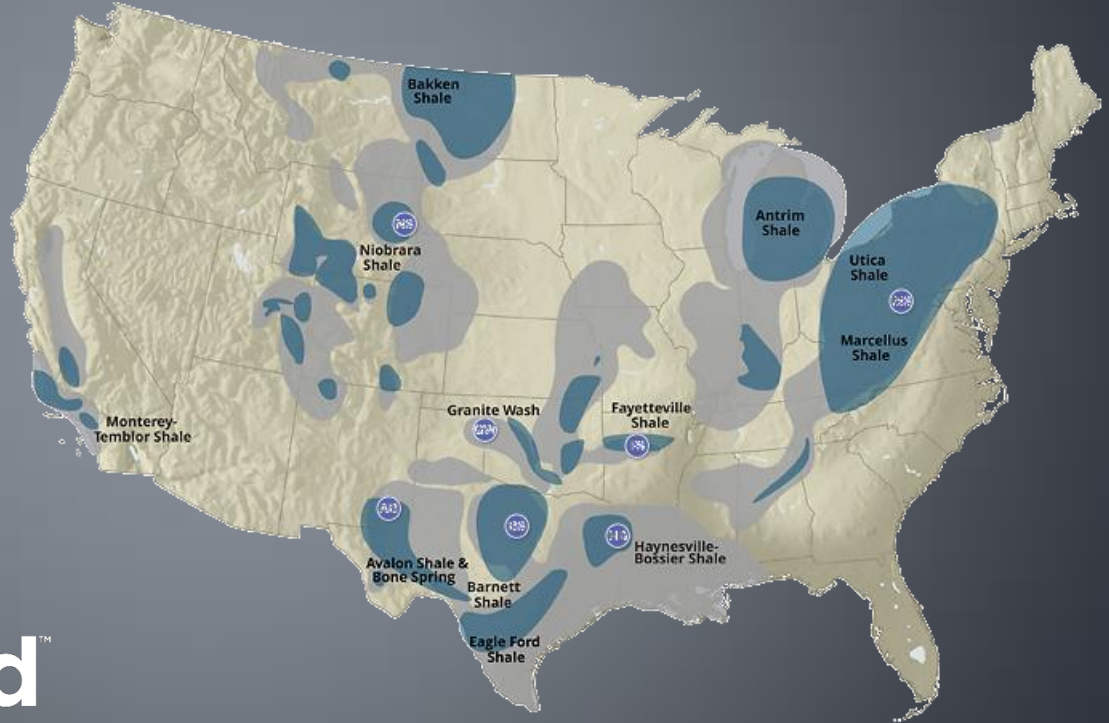

Maintenance Strategy

Midstream Gas Compression Yesterday

- “Quick & dirty” expansion driven by growth
- Disparate and disconnected network of assets

Midstream Gas Compression Today

Asset Reliability & Performance connects:

- Assets to data
- Midstream to upstream

Connections for America's Energy™
