

SERVICE PROVIDER TERMS
SUPPLEMENT TO GED PARTNER MASTER AGREEMENT

Overview

Congratulations on being approved to be a Service Provider for GE Digital product offerings.

Your status as a Service Provider is subject to your acceptance of these terms and conditions (“SP Terms”). You will be referred to herein as “Participant” and you acknowledge and agree that these SP Terms supplement, and are governed by the Master Agreement that you previously agreed to in the onboarding process. All capitalized terms in these SP Terms not otherwise defined herein will have the meaning given in the Master Agreement.

By clicking “I Accept”, Participant agrees to be bound by all the terms and conditions stated in these SP Terms, and the individual so accepting represents that he/she has legal authority to do so on behalf of Participant.

If there are separate written agreements already entered into between the Participant and GE Digital under another program with regards to GE Digital product offerings (i.e., Master Services Agreement for the Participant as a vendor to GE Digital and its Affiliates, Master Products and Services Agreement for the Participant as a customer, etc.), those agreements will operate under their own terms and will remain separate and unmodified.

Continued Participation as a Service Provider

After accepting these SP Terms, Participant will be accepted into the Service Provider program. Participant’s continued status as a Services Provider will be conditioned upon (i) compliance with these SP Terms and the Master Agreement and (ii) compliance of the program criteria for the Service Provider program, including payment of applicable (if any) subscription fees and achieving any minimum or other performance requirements specified therein.

No Right to Resell

Participant is not authorized to resell, and may not resell, any GE Digital product offerings.

Term and Termination

These SP Terms will continue for as long as Participant remains active and in good standing as the Service Provider, unless terminated earlier according to the Master Agreement or these SP Terms. GE Digital has the right to terminate these SP Terms upon written notice if Participant fails to pay applicable (if any) fees or achieve the applicable minimum performance requirements specified in Continued Participation as a Service Provider section above. GE Digital may terminate these SP terms at any time by sending a written notice within 1 (one) month in advance without any reason.
