News Release

GE T&D India Limited announces Second Quarter 2017-18 results

New Delhi, India — November 02, 2017 — GE T&D India Limited – a GE Group Company, reported on 02 November 2017 its financial results for the second quarter ended 30 September 2017

For the second quarter and six months ended September 17

- Total sales revenue was INR 8.7 Billion, down -1% compared to Quarter Ended (QE) September 16. Half year (1 April 2017 – 30 Sep 2017) revenue was INR 21.3 Billion, +20% compared to half year ended September 16.
- Operating profit for the quarter ended September 17 was at INR 921 Million, against INR 554 Million in QE September 16 and the Net Profit After Tax increased to INR 475 Million, against net profit of INR 205 Million in QE September 16
- New order bookings for half year (1 April 2017 – 30 Sep 2017) were INR 23.1 Billion, +13% compared to half year ended September 16.

Connecting people to reliable and efficient energy

The Company won major orders during the second quarter of financial year 2017-18 from central, state utilities and private developers.

Important ones include:

- 765 & 400 kV Power Transformer and Reactors for both Jawaharpur and Obra sites in Uttar Pradesh from Doosan Power Systems India Private Limited
- AC Balance of Systems and DC Wrap for a 50 MW solar project in Tamil Nadu from A/c Marine Electricals
- 220 KV substation for phase II of solar project in Bhadla from Saurya Urja

Operational Highlights

Successful commissioning of:

- Pole 2 of Champa-Kurukshetra 800 kV UHVDC link, making it first link in India transmitting 3000 MW of power through HVDC.
- 440 kV AIS substation for Tamil Nadu Transmission Corporation Limited in Rasipalayam
- 400 kV AIS substation for Jindal Steel Works in Bellary

- 400 kV bay extension for Sterlite in Shankarpally
- 400 kV substation extension for Power Grid Corporation of India Limited in Allahabad
- 400 kV AIS substation for Chhattisgarh State Power Transmission Company Limited in Jagdalpur

GE T&D India Limited's Board of Directors in its meeting held on 02 Nov, 2017 in New Delhi approved the second quarter results of the company.

Sunil Wadhwa, Managing Director of GE T&D India Limited, said, 'This was a good quarter for us, making the first half of the year better than the same period last year in all aspects. We successfully commissioned pole 2 of Champa- Kurukshehra energy link this quarter, supplying an additional 1500 MW to Northern states from Central India. Making it first link in India transmitting 3000 MW of power through HVDC. Overall, the company is well positioned with an order backlog of over INR 81.3 Billion as of September 2017 end.'
