GE rises to the challenge of building a world that works, by powering the workforce that is making it happen. With nearly 70,000 U.S. workers and 85 U.S. manufacturing facilities, we are proud of our American roots and continue to invest in U.S. manufacturing.

**INVESTING IN U.S. MANUFACTURING**

GE rises to the challenge of building a world that works. For more than 125 years, GE has invented the future of industry, and today the company’s dedicated team, leading technology, and global reach and capabilities help the world work more efficiently, reliably, and safely. GE’s people are diverse and dedicated, operating with the highest level of integrity and focus to fulfill GE’s mission and deliver for its customers. Learn more about our impact on communities nationwide and the policies that impact GE at www.GEVoices.com.
