

# Public Policy Priorities

Updated February 2021

- ✓ Competitive economic policy
- ✓ COVID-19 relief and response
- ✓ Regulatory reform associated with energy, infrastructure, healthcare and digital policy
- ✓ Effective and modernized defense procurement
- ✓ Effective laws and regulations governing the transfer and protection of data
- ✓ Trade policy
- ✓ Global energy and environmental policies
- ✓ Government procurement
- ✓ Intellectual property protection
- ✓ Promotion of exports and the free flow of goods
- ✓ Rule of law, globally
- ✓ Policies that facilitate the movement of people consistent with business needs

## **GE's 2020** *Public Policy Priorities*
